Beyond the Title

Lesson: Separating Your Identity From Your Job Title

> *Curt's Key Insight: "A title is what a company called you. Your value is what you bring. Only one of those was ever yours to keep."*

List five things that are true about you that have nothing to do with your job title.

1.

2.

3.

4.

5.

Write one sentence you could say to a stranger that introduces you by your value instead of your title.
